## Making Mistakes Helps Me to Learn and Grow.

My cloud is like a scared child.

It wants me to be perfect because it is afraid.

It believes that if I am perfect then I will be safe.

But it is wrong.

## The sun in my heart is like a loving parent. $\in$

It knows that making mistakes is how I learn!

A skill or sport I have learned before is:

While I was learning I made these mistakes:

Because I made these mistakes, I learned:

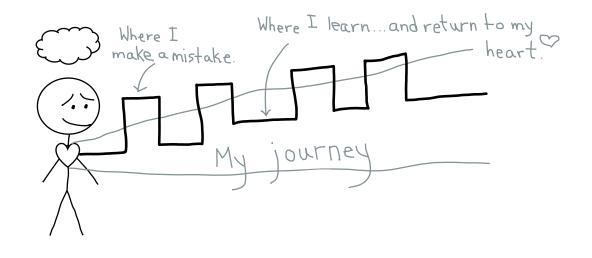

Name: \_\_\_\_\_

## When I am learning to let my sun be my leader, I will make mistakes.

A time when I let my cloud be my leader was:

If I had let my sun be my leader then this might have happened:

Next time, I will remember:
