

my name: _____

i paint the world with my own rainbow.

Each colour is a different side of me that I express to the world:

Green is my nature side.

Orange is my kind side.

Red is my mad side.

Purple is my creative side.

Blue is my shy side.

Pink is my silly side.

Colour and write a word in each beam. More ideas for words are:

funny, wild, honest, brave, fiery, generous, quiet, loud, scared, peaceful, lazy, artistic, sporty, curious, adventurous, focused, restful, earthy, excited, "I need a hug", loving, alone, giggly

My sun is always here for me, allowing all my colours to shine.
